

School Lunch Program Workshop

This is an invitation to your School Lunch Project food service staff to join us for a fun, informative and interactive workshop.

This will be a great opportunity to

- share your school's experiences in providing school lunches,
- discuss the language of food,
- prepare some menu items,
- get an update on evaluation, food safety and the Term 4 menu and
- ask lots of questions.

We would like all schools to be represented. Looking forward to seeing you there.

Thursday 22 September 2022 from 10am - 2pm
